

SWITCH

Highly Flexible Desking

Switch is a highly flexible desking range with the ability to make complex single structure configurations of any length. Five sub systems comprising of various shapes interact together to give you the most versatile desking system we have ever designed.

Switch has been laboratory test certified by Satra and has passed the following tests:

BS EN 527-1:2011 – Ergonomics
BS EN 527-2:2002 – Mechanical Safety
BS EN 527-3:2003 – Strength and Stability.

Oh and it comes with a 20 year guarantee.

finish. Ellie Pro chairs.

SWITCH Assembly Explanation

Our 4 step guide
configure workstations
of **any length**

Stage 1

Remove the end leg (shown in red) from the 2 person workstation.

Stage 2

Take as many shared leg add-on workstations that you require.

Stage 3

Place the end leg from the 2 man workstation onto the end of the last shared leg add-on workstation.

Stage 4

The finished 4 man workstation.
